I have a right to:

- register and receive treatment from a GP practice.
- be treated with dignity and respect.
- raise a concern or make a complaint if I am unhappy with the care/treatment I receive.

I do not need a fixed address or identification, and
my immigration status does not matter.

About ME

e.g. I have autism

e.g. Bright lights or loud noises may upset me

e.g. I have a diagnosis of and do not wish others in the waiting room to hear.

In line with the NHS Accessible Information Standard I have a legal right to have my communication needs recorded and supported. My communication preference is:

e.g. BSL/intepreter.....

Please trust and believe me that the information on this card is true and correct, and is to help both of us.

Thank you.
