Introduction

We want to make some changes to the services for people with a learning disability.

We want people to be more independent and healthy.

We want more people to live in the community.

We need to work with other organisations to do this.

We have set up a group called **The Birmingham Transforming Care Partnership (TCP) Board**.

This Board will plan and manage the changes.

This easy read document explains how the Board has been set up and what it needs to do.

What are we going to do?

The Transforming Care Partnership (TCP) Board will:

- ▶ Work together with other organisations to change the way care is given to people with a learning disability in Birmingham

- ▶ Change health and care services so people can get help at home, or near to where they live

All the changes should be made by March 2019.

Making a plan

We will make a plan that will:-

- Improve the quality of care

- Improve the quality of life

- Have fewer people having to go into hospital

- Improve people's service

- Improve people's health

We plan to:-

- ▶ Help each person to have a good life

- ▶ Keep people safe

- ▶ Give people choice and control over their own care

- ▶ Support people to have a healthy life

- ▶ Be fair to everyone

Who is on the board?

The board will be made up of people from different organisations that work with people with learning disabilities:

Health service managers from:

➔ NHS Birmingham CrossCity CCG

➔ NHS Birmingham South Central CCG

➔ NHS Sandwell and Birmingham CCG

➔ NHS England

From Birmingham City Council:-

➔ A local councillor

➔ Someone who works with supported housing

➔ **The manager responsible for services for people with Learning Disabilities**

▶ **Someone from West Midlands Police**

▶ **Someone who works in schools or colleges**

▶ **A Carer**

Who manages the board?

- ▶ A Self Advocate representing the voice of people with a learning disability

The Board has to send reports about it's work to:-

NHS Birmingham CrossCity CCG

NHS Sandwell and West Birmingham CCG

NHS Birmingham South Central CCG

Birmingham City Council

The meetings

The Transforming Care Partnership Board will be chaired by the TCP Senior Responsible Officer.

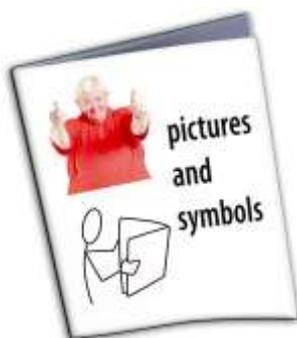

The Transforming Care Partnership Board will meet every month.

The agenda for the meetings will be decided by the Chair.

Information about the meetings will be sent by email

There should be easy read versions of all the paperwork.

Minutes explain what happened at the meetings.

The minutes will be written up after each meeting and sent round to all the members of the board. It is up to each member to tell other people about the work of the board.
