FREE, online webinar for GPs - Dying at Home (supporting carers and patients)

Date: Wednesday 17th June Time: 13:00

To help support you through the COVID-19 crisis and beyond, we invite you to join a free, live interactive webinar via MS Teams. Commissioned by Birmingham & Solihull CCG and hosted by Birmingham St Mary's Hospice in collaboration with Marie Curie, this informative session is delivered by Palliative Care experts.

As well as enabling you to share and learn from experiences, this bite-size learning session will equip you with the tools and resources you need to confidently manage the needs of your patients and their carers during this difficult time.

Key learning from this session will cover:

- The importance of family/lay carers
- What carers experience from terminal diagnosis into bereavement
- What 'the evidence' tells us about what carers want/need from professionals
- Practical, easy tips to improve your practice for patients and their carers.

Other training and support:

Although all of Birmingham St Mary's Hospice's face to face education is currently suspended due to COVID-19, a range of other online End of Life / Palliative care educational topics will be covered over the coming weeks including:

- Symptom/pain management
- Loss and bereavement
- Advanced Care Planning
- Breathlessness management (in COVID and non-COVID patients)

Birmingham St Mary's Hospice are also able to offer bespoke online training to support your requirements. If you are interested in finding out more about this, or accessing education material please email: education@birminghamhospice.org.uk

Please note: Bookings for all face to face programmes from August 31st 2020 currently remain open and are available to be [booked via the Birmingham St Mary's Hospice website](#).
