

Project ECHO

via Zoom

Facilitator: St Giles Hospice

ECHO: Is an innovative telementoring programme designed to create virtual communities of learners by bringing together health care providers and subject matter experts using videoconference technology, brief lecture presentations, case-based learning, fostering an 'all teach, all learn' approach.

Date: Thursday 11th June 2020 at 13:00

Subject matter: Treatment Escalation Plans (TEPs)

This 2 hour session will explore how to start conversations and develop treatment escalation plans for COVID-19 and non-COVID patients.

**To book your place on our Project Echo session for June please email Project.Echo@stgileshospice.com
